

## **Wilsona School District Transportation Department Overview**

### **Mission Statement**

Safely transporting students to a foundation of life long learning and working together as a team to provide safe and successful transportation services.

Wilsona School District has owned and operated school buses since 1990. Our staff includes: 9 drivers, 2 mechanics, 1 dispatcher, and 2 California State Certified Driver Instructors. Collectively our drivers have 184 years of experience.

We take pride in the fact that our buses traveled 133,269 miles last year without any accidents or major incidents. We safely transport over 1200 students to and from school on a daily basis. We also provide all school related activity trips in house.

The Transportation Team is committed to continued success in providing the students of Wilsona School District the safest mode of transportation to and from school and activity trips.

### **DID YOU KNOW?**

According to The National Safety Council statistics the safest mode of transportation for school children is the **Yellow School Bus**.

#### **School Buses are:**

**172 times safer than family cars!**  
**8 times safer than railroad trains**  
**4 times safer than city transit buses**  
**8 times safer than airlines**
